SUSTAINABILITY

OUR COMMITMENT TO SUSTAINABILITY

We offer a wide range of products that assist retailers in **reducing supply costs and waste**, all while **increasing efficiencies at the check-out**. Included are multi-functional, reusable, and eco-friendly alternatives to the traditional single-use plastic bag that simply can't be beat!

RECYCLE MY BAG (RMB) PROGRAM

RMB aims to give retailers an option to not only **recycle their customers bags**, but to use the end product (plastic lumber) to **build playground equipment, outdoor seating** and more. **Retailers can now close the loop on reusability** and benefit from the positive outcomes surrounding the program, in multiple ways!

OUR MATERIALS

At IPS, our ultimate goal is to provide reusable solutions to our customers and **spread the idea of reuse, everywhere!** Have you heard of recycled ocean-bound plastic? Ask us about our **OceanTote** today!
